ABOUT

In the Autumn, the first rain arrives, and, with it, the wild mushrooms. It's picking is, since immemorial times, a way to people complement their food and their income sources. To retrieve and disseminate all this heritage is the main goal of the event Míscaros – Festival do Cogumelo. The street's decoration, the crafts, the menus, the concerts and theatre plays, the mycological excursions into Serra da Gardunha, ... at this event, nothing is left to chance.
