# ABOUT

desAMORes is an art project created by the artist Monsenhor enVide neFelibata. The main ideas of this mail\_art event call are: first, to provide artists the opportunity to show their work at Portugal and secondly to spread the concepts of mail\_art to other people by means of the exhibition and the workshop that will be held at the same place.

Every artist was invited to join in by sending artwork by traditional mail, commonly know as snail mail, regarding the theme desAMORes. The selected artwork will be shown at exhibitions, with the same name, that will tour through Portuguese Museums, Galleries, Libraries and some unconventional spaces.

At every exhibition, a workshop will be held by the artist Monsenhor enVide neFelibata or a local mail\_art artist. At this workshop, we'll present some of the technics that have been used by mail\_artists as well as explore different materials and learning all the dos and don'ts relative to the Portuguese mailing postal system concerning mail\_art.

If we find it important, a public presentation might previously happen in each city directed to the local student community in order to clarify any doubts about this major event.

Transfer to myself? Had I moved to Akeman Street  
 or had Akeman Street been invented as a place of refuge  
 for myself? How many Akeman Streets are there in the  
 world? Had I been myself at the time of my moving  
 to Akeman Street? Had my body been taken over by another?  
 Can I locate the Simon Warren writing this card with  
 the man I know as Simon Warren? This latter lives  
 in Akeman Street but a Simon Warren has slipped  
 from the frame of Akeman Street and Akeman Street  
 has slipped from the frame of Simon Warren. The  
 Simon Warren riding a bicycle to Akeman Street must be  
 another Simon Warren. When people ask Simon Warren  
 what his name is he tells them his name is Simon Warren  
 as this is a convenient cover.

Apart from missing love  
 I had to put up with my parents people like my parents  
 Tring  
 I grew up with people who only wanted to be themselves  
 People who were exploited and never stood up  
 People who were happy to follow orders  
 People who were sent to bed before they retired  
 People who did not possess an ounce of pride  
 People whose servility could always be exploited  
 People who hid within marriage  
 People who made a virtue of their negative qualities  
 People who were fearful of being found out  
 People who were insincere  
 People who were deceitful  
 People who were crippled with insecurity  
 People who were beautiful  
 People who thought the world revolved around them  
 I have always lived in Tring  
 The people I know are fawning  
 You would have to be insane to love the people I know  
 I love without knowing why  
 People I know are fondled as a reward  
 To know the people of Tring is to give up on humanity  
 As a young man I wanted to be a hermit

The Tring mentality is that of the brown nose  
 Tring is the circulation of the same shit  
 Holding the same shit up for inspection  
 Bowing down before the shit

I was twenty six when I fell in love  
 In the middle of the shit of Tring  
 This was a forbidden love  
 I had to suffer on account of this love  
 My parents were so knotted up it made them physically ill  
 This never surprised me  
 After several brushes with the employment system  
 I was certified as being unemployable  
 After the age of thirty two I never had a proper job

The people about me told me they were happy to be bonded labourers  
 Being British is an act of denial  
 It is a wish to be walked over  
 The foreigners in Tring are more servile than the Tring people  
 This elevates the Tring people in their own opinions  
 It is not enough to be a nobody in Tring  
 The Tring nobodies jack off these they consider superior to them  
 If Tring did not exist the world would be a better place  
 Tring is downland spoiled by Tring  
 My parents bought a new house in Tring in 1956  
 They were still in it when their time was up  
 My mother regretted leaving her home  
 I fell in love in 1974
