## West Indies

ce was for naming that somebody from the  
land was the culprit. A letter duly followed  
of the islands we were visiting, and  
liged to be official action. The Lieutenant  
ned advised the deed, so I had officially  
and he ordered him to pay for the  
of returning the goods (I imagine he arranged  
cheap passage). I sent for him afterward  
commended him on his zeal for the good  
p, but pointed out that when I had com  
similar deeds, I had taken the precaution  
be bowled out.
