An oddish shape mail art  
for you. Years ago people  
would send these little views  
Finders through the post-naked  
instead of post cards while on  
holiday. I didn't chance it!  
Still working on book! Best wishes

# ocketART

ocketART is a project that travelled on my  
for at least two years before seeing the  
light. I'd bought the material and prepared  
few demos, but never had the will to go  
ward with it. It's nothing new, but  
ically an association of ideas from other  
tists. And now this project is running since  
bruary of 2009.

Although these pocket art objects cannot be  
uly branded as ARTS or ACEOS, mainly because  
f its size, it's also true that they work  
retty well as such. Real ones measure  
5x3.5" (6.35x8.89cm) and mine are smaller,  
around 4.9x8.1cm can be an it'sy  
bitsy bigger.

Rather than destr  
sketches that lay  
place, why not g  
artwork into sev  
add my personal c
