Three Allegheny Bookstore, former Carnegie Library, Parkersburg, WV (Ficus strangulensis)

The Parkersburg, WV Carnegie Library was a bookstore [now closed] where my Beloved and I enjoyed several visits and admired the building. The photo included shows the library's wrought iron, spiral staircase, brass rail and glass block floor.

Ficus strangulensis, has been & is [since 1991] a mail artist [<http://fuoma-network.ning.com/profile/Ficusstrangulensis79/>] who can't draw so appropriates and alters images. He took this name while playing 'Lost in Wallpaper Poets' on W.C. [Bill] Paulauskas' Citadel BBS, [a dial-up forerunner of internet social media]. He published TRANSMOG, featuring 'otherstream' visual and textual art for a few years and has semi-retired into mail art.
