ABOUT

At this workshop we'll explore materials and techniques commonly used on mail_art as well as provide information about regulations on postal delivery regarding to mail_art. We will also have time for a brief debate on some important artists of this area, aided by the viewing and analysis of some of their works as well as a guided tour through the exhibition.

At this workshop, artistic objects will be created with the purpose of being sent to international artists.

Tools and materials will be made available to the trainees, however it is advisable to bring your own material to increase productivity. The tools and materials to be explored in the workshop are:

- . scissors, scalpels and x-acts
- . miscellaneous papers and cartons
- . glues and self-adhesive tapes
- . magazines, newspapers and books to cut from
- . markers, pens and pencils
