"SEA, FIRE & HUMAN / 3 STRONG ELEMENTS OF LIFE & DEATH"

Atenas, Grécia

um projeto e exposição coletiva internacional de arte_correio e de arte_por_correio

SOBRE

O mar, ao mesmo tempo que nutre o homem, animais e peixes, engole nadadores, marinheiros e migrantes que se aventuram em liberdade.

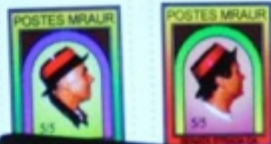

O sol, fogo no céu, dá a vida, mas um fogo em uma árvore, pode se tornar o próprio inferno.

O ser humano pode ser quem cria a vida, mas com a guerra, as lutas e as escolhas, colhe-a de volta.
