# ABOUT

"MAILART.PT" is an online platform for international mail\_art & art\_by\_mail promotion and archive. Sharing the same name, "MAILART.PT" is also an international exhibition of mail\_art and its derivatives curated by Monsenhor enVide neFelibata. This show is renewed on the 31st of each month and has presents a selection of the most representative works of its genre and of famous artists. The objective of this project is to promote and elucidate the public about this art form through a strong pedagogical focus.

The artwork rotation allows revisiting and creating renewed collections confronting artists and times. This collection is also kept up to date in digital format on the [www.mailart.pt](http://www.mailart.pt) platform and aims to become an object of study of the evolution of new artistic languages by these authors and their artistic careers, within the genre that is mail\_art.

5/ título

Quisiera hurgar / entre estradas como suspiros / y con ternura  
explorar cada poro de tu cuerpo / si se pierda en el desierto de  
tu vida / sobre de tierra fértil al cuerpo / y cómo estado una lila  
arstaré fresco y la zona / en tu paisaje desierto.
