REVUE DES CHAPEAUX

Rise & Shine

How to Yourself in 60 Seconds!

1. Wash with a lather of Palmolive soap. It is the only soap that cleans the skin without drying it. It is the only soap that leaves the skin soft and smooth.
2. Apply the Palmolive cream. It is the only cream that makes the skin soft and smooth. It is the only cream that leaves the skin soft and smooth.

New complexion beauty is just one natural fact, for beauty and freshness are the result of healthy skin. The most natural skin care is to keep the skin clean and soft. Palmolive soap makes the skin soft and smooth.
